### **Brock New Manager, Grassroots Advocacy**

**COLUMBUS, OH** – Chris Brock has been promoted to Manager, Grassroots Advocacy for the Ohio Chamber of Commerce. He has been with the Chamber since April 2007.

The Ohio Chamber's Grassroots Advocacy program educates its members and members of local chambers about important state and federal policy issues that directly affect Ohio businesses and the state's economy. Through the use of social media and the Chamber's advocacy Web site, [www.ohiobusinessvotes.org](http://www.ohiobusinessvotes.org), business leaders are encouraged to take part in advocacy campaigns.

"In 2009 our grassroots efforts were hugely successful with thousands of Ohio business leaders weighing in on key policy issues. Thanks to the hard work of Chris Brock we are now positioned to expand our program to include even broader participation on both the policy and political front," said Vice President, Governmental Affairs Linda Woggon.

The Ohio Chamber's Grassroots Advocacy program also provides assistance with arranging plant tours and other meetings with legislators and candidates. Brock can be reached at the Ohio Chamber of Commerce at [cbrock@ohiochamber.com](mailto:cbrock@ohiochamber.com) or 614-228-4201.

Founded in 1893, the Ohio Chamber of Commerce is Ohio's largest statewide business advocacy group. The Chamber works to promote and protect the interests of its members - large and small - while building a more favorable Ohio business climate.
