## **Ohio Chamber of Commerce Endorses State Issue 2**

**COLUMBUS, OH** – The Ohio Chamber of Commerce Board of Directors has voted to endorse State Issue 2, the proposal to change the location of the Columbus-area casino.

“Our board recognizes State Issue 2 is important for Columbus and the rest of the state benefits from a change to the location of this casino,” said Andrew E. Doehrel, president and CEO. “Relocating the casino to the former Delphi plant site will bring much needed jobs to the area and is a positive step in improving the state’s general business climate.”

As the state’s leading business advocate and resource, the Ohio Chamber of Commerce aggressively champions free enterprise, economic competitiveness and growth for the benefit of all Ohioans. A YES vote on State Issue 2 supports the Chamber’s objectives.

The Ohio Chamber has been the voice of business in Columbus for more than a century. Chamber members include a diverse collection of job providers that are the economic engine for Ohio's communities, schools and families. To learn more, visit [www.ohiochamber.com](http://www.ohiochamber.com).
