

RETURN ON INVESTMENT

"I focus most of my attention on issues specific to my industry and rely on the expertise of the Ohio Chamber for healthcare, workers compensation and insurance issues. We have and will continue to look to the Ohio Chamber to be the point on these issues."

~ Bob Blazer
Vice President,
Government Relations
AT&T Ohio

"As a small business owner I am concerned about taxes. The Ohio Chamber is critically important; working with legislators everyday in making sure Ohio's tax structure is competitive so that my business remains profitable."

~ Lois M. Rosenberry
CEO,
Children's Discovery Center

"In the political arena, you can never have too many allies. The Ohio Chamber is an important point of contact and partner to have in influencing public policy and the legislature."

~ Clif Morehead
Regional Manager,
Government Relations
GE, USA

UNITING BUSINESS. IMPROVING OHIO.

INVESTOR
BENEFITS

OHIO CHAMBER OF COMMERCE

Helping Your Business Succeed.

THE BENEFITS OF INVESTING

ABOUT US

The Ohio Chamber of Commerce is dedicated to winning the battle to protect Ohio businesses, just like yours, from costly government-mandates. We advocate for free-market approaches that ensure a strong economic climate where businesses can flourish and jobs are created. By investing in the Ohio Chamber, your voice will be added to the more than 4,000 other Ohio businesses already benefiting from the Chamber's work. Since 1893, we have been THE voice of Ohio businesses. No other organization can come close to the expertise, experience and effectiveness of the Ohio Chamber of Commerce.

SUMMARY OF BENEFITS:

EDUCATION

You will have access to the Ohio Chamber's public policy and political experts. Ohio Chamber activities will connect you with the government officials you need to know to help grow your business.

OPPORTUNITY

You will have the opportunity to participate in the work of the Ohio Chamber's committees as they take positions and craft strategies to improve our state's business climate.

SUCCESS

You will join thousands of other business leaders from across the state in a powerful advocacy network that strengthens the collective voice of Ohio businesses.

OHIO CHAMBER PUBLICATIONS

- **Public Policy Agenda** – This important document lays out the details of our plan for achieving Ohio's potential. It discusses major public policy initiatives and strategies for achieving them.
- **Legislative Update** – This weekly publication is free, upon request, with your investment. It provides a quick summary of expected governmental action on issues important to Ohio businesses.
- **Ohio Matters** – This bi-monthly member magazine features information you need as a business operating in Ohio – from regular political and Statehouse insider columns to in-depth analyses of Ohio's economy and critical business issues.

DIRECT ACCESS

- **Advocacy Experts** – Our six public policy and political experts top the list of Ohio's governmental affairs professionals. Whether representing your interests at the Statehouse or helping you build the profile of your business with state officials, you'll have full access to valuable resources offered by our team.
- **Face-to-Face Opportunities with Ohio decision makers** – When it comes to gaining access to Ohio decision-makers, you can count on Ohio Chamber events to help you build the relationships you need:
 - Mingle with legislators at informal monthly breakfasts and legislative receptions
 - Testify at committee hearings and participate in behind the scenes discussions
 - Attend the biennial Salt Fork Legislative Conference
 - Hear nationally-known speakers at the Chamber's Annual Meeting
 - Host elected officials at your company

OPPORTUNITIES FOR ACTION

- **Chamber Committees** – hear from the experts, analyze proposed legislation, and help formulate the Chamber's positions.
- **Political and Candidate Education (P.a.C.E.)** – learn how to target your political resources to make a difference by becoming part of a unified and politically-informed business community.
- **Grassroots Action Alliance** – join a network of effective advocates, educate and communicate with elected officials, and make legislative issues come to life.
- **Small Business Council** – work with other small businesses on issues that affect this important segment of Ohio's economy.

ELECTRONIC INFORMATION SERVICES

- **www.ohiochamber.com** - Your one-stop shop for current information on public policy issues, including a powerful on-line bill tracking and notification system.
- **www.ohiobusinessvotes.org** - Everything you and your employees need to know about Ohio politics and elections, including a quick and effective way to communicate with elected officials.

COST SAVING PROGRAMS

- Cash in on valuable "member-only" programs that positively impact your bottom line and more than pay for your Chamber investment.
- Take advantage of the Ohio Chamber's Vendor Page on our Web site, list discounts and offer opportunities to your fellow Chamber investors.
